CTS has re-imagined the Master of Divinity (M.Div.) degree program to meet the urgent need for leaders formed in faith, who are prepared to address the educational, social, economic and technological shifts in theology and the church. Traditional M.Div. programs were structured around three academic disciplines: theology, bible and history. CTS' new M.Div. program is built on the five practices of ministry, anticipating what pastors and community leaders actually do: inspire, lead, serve, love and live—with the academic disciplines woven into each practice. With this restructured degree come changing degree requirements (72 credit hours), flexible course formats (including weeklong intensives and hybrids of online and on-campus classes), and an emphasis on community life, cohort learning and supervised ministry experiences.
